

Group Rental Discount Policy 2024

To qualify for a group rental discount all the following must be met:

- Reservation is made and paid for by one person – There is no ‘splitting the check’ on a group rental.
- A minimum of 10 bikes must be rented.
 - If your rental drops below 10 bikes because of cancellations, you no longer qualify for the discount. Less than 10 bikes, no discount.
- The discount is equal to 1% per bike.
 - 10 bikes = 10% off / 13 bikes = 13% off and so on.
 - If you start with renting 20 bikes and 3 bikes cancel you are now renting 17 bikes – this means the group discount is now 17% off.
